VIT announces major reseller agreement with BATEC Co W.L.L.

BATEC- Bahrain Advanced Technology Co.W.L.L. Est. 1984, is a leading Value added ICT (Information Communication & Technology solutions provider of: Convergence, Enterprise Networking, Enterprise Security, Enterprise Mobility, Data Center Technology and Platform collaboration products, services and solutions covering the Kingdom Of Bahrain, Kingdom of Saudi Arabia, Kuwait and Qatar.

Under the terms of the agreement, BATEC will hold the exclusive reseller rights for the Kingdom of Bahrain in a relationship that, it is hoped, will last for an extended term.

VIT's Sales Director, Tom Knowles Jackson, said: "I have worked with BATEC for a number of years and I am delighted that they have agreed to represent us in the Region. Bahrain is an important country in the GCC. Well known as early adopters of novel technologies, Bahrain will be a key proving ground for our Longview 2 long range camera."

VIT COE, Dave Harmon said: "BATEC have a strong pedigree in the Middle East and their existing client base combined with their in-house engineering expertise make them an ideal partner in Bahrain."
